Testimonials

"Lisa, Thank you for saving me! Juggling four kids and work full-time has been no easy task. You're Just Too Busy delivered two meals this week and they were both huge hits. Delicious and plenty to fill my overfilled household. It's nice to be able to give your kids a family meal when you can't do the home cooking yourself. Thank you, Lisa. You have a loyal customer. You made this mom feel like she could survive another week.

- Amy Masferrer Milton, MA

"I strongly recommend Lisa Boyle and You're Just Too Busy!! She stepped in to wait for a furnace repair person to come by my home for our annual inspection. This freed me up to finish off my day at work and pick up my own kids without over stressing about the service appointment. I'll be using her services again"

- Bridget Dujardin Boston, MA

"Lisa is a lifesaver! I am always scrambling to get my kids home from school. She stepped in last minute and came to the rescue. She delivered all three home, safe and sound. Now, she is going to take home every week. The best part is, they all loved her. Thank you, You're Just Too Busy."
